

Legal Assist will answer any legal inquiries that relate to your business activities. Here are some examples of typical questions:

My company developed a piece of software. How do I go about protecting the specifications from my competitors?

I have contracts containing 'hold harmless' and 'indemnity' clauses with my customers. What are the legal implications of signing this contract that contains a 'hold harmless' clause in favour of my customer?

I want my children to become more actively involved in my business at a management level and in business development. What steps do I need to take to make this happen? What are the legal implications of this, if any?

I have to let an employee go. How much notice do I need to give this employee by law? How do I proceed in order to respect legal requirements?
